Hi Debra.

You have generously offered to share your time in the past.....I think the question here is.....how can I crash a meeting when I know I am invited?

Thanks!

Mike

Hi Shanta and Mike,

You should know this already.....I just wanted to remind you that you are always welcome to drop in on my generals with Marion (bi-weekly Wed. 2-2:30 pm).

Although I try to have my agenda laid out before hand, I don't always get that complete. I usually try to hit the high points of the current actions following generally from Tony's PRIA report (PRIA due dates looming) and use the time to provide reminders for follow up with the IO (i.e., Aldicarb) or HED BCs (i.e., Chris O on spinetoram (Clarke action)). And I try to update Marion on any follow up from the PRIA manager's meeting or other meetings that pertained to the current actions.

Thanks!
Debra
